

**TIS PCE Transportation** Frames are designed to provide a protective housing for a range of pressure control equipment packages and single units.

Bespoke and standard units can be engineered to meet specific operational requirements, adhere to industry standards, and accommodate multiple pieces of equipment.

## Features

- ▶ DNV certified lifting frame & sling set
- ▶ Integral/external lifting & tie down points
- ▶ Frame integral quick union mounting stumps
- ▶ Slide-out lubricator rack
- ▶ Storage boxes for consumables & spares
- ▶ Carbon or stainless steel construction

## TR-A-2002

This model is designed to house:

- ▶ 3" PCE Package
  - 2x 3" Chemical Hydraulic Stuffing Box
  - 1x 3" Grease Injection Head c/w Stripper Head
  - 3x 3" 8ft Lubricators
  - 1x 3" to 5" 8ft Crossover Lubricator
- ▶ 5" PCE Package
  - 1x 5" Dual Apollo Wireline Valve
  - 1x 5" Pump-in Sub
  - 1x 5" In-Situ Test Sub
  - 2x 5" Lubricators
  - 1x 5" Crossover
- ▶ 2x 16" Lightweight Sheave
- ▶ 1x Well Control Panel
- ▶ 1x Grease Injection Unit
- ▶ Spares & Consumables

## TR-A-2008

This model is designed to house:

- ▶ 3" PCE Package
  - 2x 3" Single Apollo Wireline Valves
  - 1x Hydraulic Stuffing Box
  - 2x 3" 12ft Lubricators
  - 2x 3" 10ft Lubricators
  - 2x 3" 8ft Lubricators
  - 2x Test Cap Sets
- ▶ 1x 16" Lightweight Sheave c/w Floor Stand
- ▶ 1x Hand pump & hoses for dual valve operations
- ▶ 1x Hand pump & hoses for stuffing box operations

## TR-A-2012

This model is designed to house:

- ▶ 3" PCE Package
  - 1x 3" Chemical Hydraulic Stuffing Box
  - 1x 3" Elite Toolcatcher
  - 4x 3" 8ft Lubricators
  - 1x 3" Crossover
- ▶ 6 5/8" PCE Package
  - 1x 6-5/8" Dual Apollo Wireline Valve
  - 2x 6 5/8" Hydraulic Tool Trap
  - 2x 6 5/8" In-Situ Test Sub
  - 1x 6 5/8" Lift-Test Cap Set
- ▶ 1x 16" Lightweight Sheave
- ▶ Spares & Consumables
